

Delta Family Flex Plan Overview

Great dental coverage to help meet the oral health needs of your entire family!

Our Family Flex Plan was designed for families or households with two or more people who need affordable and flexible dental coverage. With this plan, families get full dental coverage and sharable Annual Maximum Benefit for enhanced versatility.

▶ **Sharing is Caring**

This is our only Individual Plan featuring a Shared Annual Maximum Benefit. This can be helpful when some covered members may only need Diagnostic and Preventive Services while others may need more complicated Major Services.

▶ **Orthodontics - Another Reason to Smile**

With this plan, Orthodontic Services are covered at 50% when you utilize an In-Network Provider.

▶ **Get Important Services Performed Now**

This plan offers No Benefit Waiting Periods for all Diagnostic, Preventive, and Basic Services so you won't have to push off necessary appointments.

▶ **Share the Deductible Burden**

This plan features a Shared Family Deductible which means you will reach your deductible limit faster so you can minimize your costs.

▶ **Evidence Based Dentistry Benefit**

Evidence Based Dentistry (EBD) plan benefit provides enhanced dental coverage for enrollees with certain high-risk medical conditions that have oral health implications.

▶ **Access to 24/7 Virtual Dental Visits**

Dental emergencies don't always happen during normal business hours. Get access to a licensed dentist anytime, no matter where you are.
