

## Delta Value Plan Overview

**Get a versatile traditional dental plan to help your team stay happy and healthy!**

Our Value Plan was designed for individuals who are looking for a traditional dental plan. This is an intermediate plan for those that want more than basic coverage and may need orthodontic benefits.

- ▶ **Traditional Coverage at a Low Cost**  
The Value Plan provides access to all services (including Major and Orthodontic Services) when utilizing an In-Network Provider.
- ▶ **Orthodontics - Another Reason to Smile**  
The Value Plan is our most affordable dental plan with orthodontic coverage. With this plan, Orthodontic Services are covered at 50% when utilizing an In-Network Provider.
- ▶ **Get Important Services Performed Now**  
This plan offers No Benefit Waiting Periods for all Diagnostic, Preventive, and Basic Services so you won't have to push off any necessary appointments.
- ▶ **Evidence Based Dentistry Benefit**  
Evidence Based Dentistry (EBD) plan benefit provides enhanced dental coverage for enrollees with certain high-risk medical conditions that have oral health implications.
- ▶ **Preventive Care Security Benefit**  
Preventive Care Security (PCS) makes sure the benefits paid for Diagnostic and Preventive Services never reduce the Annual Maximum Benefit Amount.
- ▶ **Access to 24/7 Virtual Dental Visits**  
Dental emergencies don't always happen during normal business hours. Get access to a licensed dentist anytime, no matter where you are.
